

***MSM***

## ***Ageless Eye and Face Cream***

***Extreme Hydration of the Seven Layers of Ectodermal Tissue***

***Extreme Hydration of the Collagen.***

***Reduces Fine Lines and Wrinkles***

***Reduces Puffiness Under Eyes***

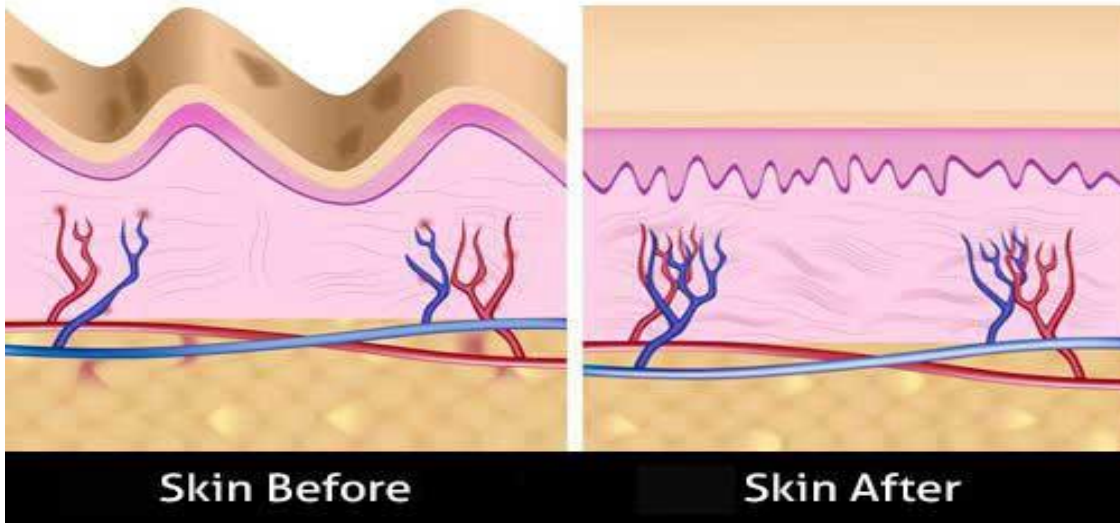

***Reduces Dark Circles***

- Antioxidant Eye Cream is the ultimate product to hydrate, smooth and firm under eye bags.
- Erasing fine lines and wrinkles by filling collagen with fluid to raise tissue.
- Reducing puffiness under eyes.
- Helps reduce dark circles and make your skin feel and appear healthier, youthful and more plump.
- This product should be used morning and night. This allows the antioxidants, MSM and specific oils to work all day.
- Just apply under makeup. Allow several minutes to soak into skin and then apply makeup.
- This needs to be re-applied at bedtime to allow the same process to work all night long.
- This product should be used not only under the eyes but also anywhere on the face, neck and body.
- This product is designed for men & women.

**ACHIEVE VISIBLY YOUNGER LOOKING SKIN!**
